The 2014 vintage was characterised by a mild winter. Rainfall in January and February allowed for the accumulation of sufficient water reserves which were essential for spring budding. The first months of summer saw average temperatures and sunny days alternating with frequent thunderstorms, thus ensuring a slow and regular development. Significantly, a green harvest made it possible to regulate the vines' load by eliminating the abundant excess bunches. From the end of July, the rains gave way to the highest temperatures in August and September, allowing for the complete and uniform ripening of the grapes, also thanks to careful management of the leaf wall. The wines of this vintage have elegance and finesse which are rare for this area. It is a vintage that might surprise us.

Intense ruby red in color. The nose offers nice fresh and crunchy fruit, enriched with mineral and spicy notes. The palate is medium bodied with red berry notes. The tannins are elegant, silky, enveloping and very soft. The finish is precise, clean and lively.

Due to the bold characteristics of II Seggio and its ability to embody and enhance the fresh Mediterranean profile of Bolgheri's terroir, it pairs effortlessly with a wide range of dishes such as grilled meats – especially Chianina beef – spitroasts, ossobuco, charcuterie of wild boar, medium-matured and fully-matured pecorino cheese, and smoked ricotta. It is enhanced with pasta prepared with white meat ragout, pappardelle with hare, and creamed pumpkin risotto. It is great, if you dare - but served at a slightly lower temperature - with Livorno-style mullet, creamed baccala@ and hearty fish soups.
