2008 was an excellent vintage, characterised by a mild spring and a rainy June which allowed the soil to store sufficient water reserves before a dry and breezy summer. Rainfall in mid-August prevented the grapes from overripening and they maintained a good acid content. The harvest took place in optimal climatic conditions, with hot, dry days and cool, breezy nights, which favoured ideal ripening indexes and maintained grape health, despite light rainfall that occurred towards the end of the harvest.

A blend characterized by a high percentage of Syrah, a strong and clear wine, with intense olfactory sensations of red fruit and spices, a soft and enveloping taste that moves, in a dynamic and lively way, between notes of red berries and sweet toasted notes, supported by a pleasant acidity that increases the drinkability.

An ideal pairing with various meat dishes, cold cuts and medium-matured cheeses, including Italian pecorino. It should be enjoyed slightly chilled, with seafood dishes such as mullet in tomato sauce, poached fish and Livorno-style salt cod.
