The climatic conditions in 2010 were distinguished by a cool and rainy winter which initially led to a slight lengthening of the flowering stage. The arrival of summer and the warm season in July contributed to a recovery of the ripening phase and, during the harvest there were good temperature variations between day and night with windy days which dried the grapes, maintaining excellent acidity.

A blend characterized by a high percentage of Syrah, a strong and clear wine, with intense olfactory sensations of red fruit and spices, a soft and enveloping taste that moves, in a dynamic and lively way, between notes of red berries and sweet toasted notes, supported by a pleasant acidity that increases the drinkability.

An ideal pairing with various meat dishes, cold cuts and medium-matured cheeses, including Italian pecorino. It should be enjoyed slightly chilled, with seafood dishes such as mullet in tomato sauce, poached fish and Livorno-style salt cod.
