2015 is considered one of Bolgheri's greatest years. A significantly rainy winter allowed the vines to absorb water in the spring, leading to uniform and luxuriant budding that lasted until the beginning of June. The particularly favourable climatic conditions during the summer ensured regular development of all of the subsequent phenological phases, from fruit set to maturation. Considerable heat in July was mitigated by some providential storms; while a sunny and fairly windy August allowed the grapes to reach ideal phenolic ripeness. The harvest, which began on August 31st and ended on October 7th, was facilitated by numerous sunny days interspersed with sporadic rainfall. This is a memorable vintage with wines that boast good balance, great structure, and intense aromas.

The radiance of the Vermentino varietal reflects intensely in the aromas of Solosole, a white wine that captivates with its intense hints of flowers and unexpected yellow fruit. The palate has a medium body, is succulent and highly enjoyable. The development of the wine in the glass suggests that it has the potential to evolve for a few years.

Solosole is an ideal wine to accompany aperitifs, raw fish and, thanks to its tanginess and fragrance, fried and poached fish. Its crispness also makes it suitable with vegetarian cuisine.
