Another vintage worth remembering, described by many as one of the earliest harvests in Bolgheri. After a rather mild winter, albeit affected by abundant rainfall, spring was marked by average rainfall and encouraged uniform growth of the shoots, which had already appeared in early March. Summer was breezy and dry with some refreshing rainfall at the beginning of September, which allowed the grapes to ripen in perfect health. During the pre-harvest period, high-temperature variations between day and night favoured phenolic and aromatic maturation, keeping the acidity high. The 2016 vintage promises intriguing wines with distinct varietal characteristics, with good structure and great ageing prospects.

As warm and reassuring as a walk amongst the vine rows at Poggio al Tesoro, and as sunny and dry as the breeze that blows through them in August, this evocative wine is woven through with the scents that characterize this land of wild herbs and sea. The palate is never excessively sweet and is refreshed by a vein of acidity and aromatic nuances of caramel and liquorice. The wine thus retains harmony and lightness, leading to a dry finale that eagerly invites a further sip.

Teos, the wine with an important and evocative name, requires pairings that, in addition to the classic combinations with great dessert wines, are refined enough to exalt its characteristics, such as white chocolate delight and exotic fruit or chamomile ice cream with mango sauce. Daringly successful pairings can be made with a whole range of fresh herbed cheeses. The Chef at Villa Della Torre Allegrini regards it as a fine meditation wine and recommends pairing it at the end of a meal with the traditional crumbly almond cake called sbrisolona.
